

BASES Supervised Experience Candidate Assistance Programme

Overview

BASES is keen to support members who are on the Supervised Experience (SE) accreditation route who are in financial difficulty and has created an SE candidate Assistance Fund, capped at £4,000 per year from the Association's reserves.

Financial Assistance will be considered, on a case-by-case application, towards a contribution (up to 50%) for the four Core workshops plus either two BASES workshops or conference attendance.

Financial Assistance cannot be provided towards the cost of the SE Administration Fee or supervision costs / fees.

Criteria

Financial support may be provided providing the following criteria is met:

- Current BASES member enrolled on BASES Supervised Experience
- There has been a genuine, specific change of circumstance that currently inhibits their ability to pay (e.g. redundancy, unemployment, long-term illness, disability, etc).

Evidence requirements for this support:

- A completed application form ([via this link](#)) (please see Appendix 2 for the detail which is required to be included in the online application).

Process (see Appendix 1)

The total amount available in this assistance programme is capped at £4,000 per year. As such, the number of awards per financial year will be limited. Support will be prioritised to candidates who are facing genuine financial hardship.

The fund will be open for applications twice a year, in the Spring (window from 1 April to 30 April) and in the Autumn (window from 1 October to 31 October). £2,000 of the fund will be available for the Spring window and £2,000 of the fund will be available for the Autumn window. As soon as all the money has been allocated in that window, the fund will close, and applications will be suspended until the following window / financial year. Only one successful application can be made per person in a 12-month period.

Submissions for the SE candidate Assistance Fund should be submitted to the Executive Director via the [online application form](#). Members of the Equity, Diversity and Inclusion Committee will review applications and will present noteworthy submissions to the Board for consideration and approval for any financial support.

Decisions by the Board will normally be relayed within 10 working days of receipt of application.

Confidentiality

Any application made through this programme will remain confidential, including the accompanying evidence / paperwork. The Association will not disclose the details of anyone who has made an application through the programme.
