

British Society of Gerontology Conference 2021

5 to 9 July 2021.

The deadline for [abstract submission](#) for the [50th Anniversary Annual BSG Conference](#) is fast approaching. The deadline for submission of paper, poster and symposia abstracts is the **6th January 2021**.

Full details of the Conference, abstract submission and registration can be found on the [BSG website](#).

Emerging Researchers in Ageing Pre-Conference Event:

Each year, we hold an annual pre-conference event for Emerging Researchers in Ageing which is aimed at PhD students, post-doctoral or early career researchers, as well as established researchers or practitioners who might be transitioning to ageing research. This will be held on Tuesday 6 July 2021 with the main conference beginning on the morning of 7 July 2021.

This year's theme for the pre-conference event is "**Futures of gerontology, future gerontologists: Building leadership and research capacity for BSG 2046**".

We are inviting abstract and poster submissions for the ERA day; you may wish to consider submitting to both the ERA pre-conference and the BSG main conference, but you do not have to attend the main conference in order to come to the pre-conference event. The abstracts can be on any theme related to ageing or ageing populations from any discipline and should highlight your research.

Abstracts should be sent as an attachment and emailed to era@britishgerontology.org by Friday, 29 January 2021.

For more details, please see the BSG ERA [website](#)

50@50 BSG Bursaries:

Please do apply for the 50@50 BSG Bursaries for the 2021 Conference. The deadline to apply is 7 February 2021. Please [click here](#) for more details.

Thank you.
